

ALIGN

SPECIFICATION SHEET

Align is a series of modular benches with various style options. There are countless configurations available with these geometric pieces. The staple base shape is a stark trapezoid that comes in three different sizes. There is also a hexagonal base for seating on multiple sides and a triangle for creating interesting patterns. This unique line can enhance and modernize any space.

Upholstered back and seat with commercial-grade, high-density foam. Comes standard with legs, plinth base can be requested as an upgrade. Includes 4" tall round metal legs and also comes with the necessary amount of adjustable glides. Table tops are available in wood, solid surface, or laminate.
