

800

SPECIFICATION SHEET

The 800 Series can bring a great look to your tables with the DuraCast Y base.

Includes adjustable leveler with 3/8-16" x 3/4" long shank and a 13 ga. steel tube column with cast aluminum feet. Base models #800 and #801 use an 6" x 8" steel mounting plate. Base model #802 uses a 8" x 8" plate. Base mode #803 uses a 12" x 12" mounting plate. Constructed with a bolted and welded combination.

An optional stretcher bar is available for larger tops. The bar is sold separately and should be used on tops that are larger than 30" wide and 60" long for added strength.
