

530 PEDESTAL

SPECIFICATION SHEET

The 530 Series is a low-profile base that helps to maximize space under a table while still maintaining the stability and mobility needed in a freestanding table.

These table bases are constructed with an all steel column welded to a 12" x 12" mounting plate. Bottom discs are 1/4" steel and bolted to the column assembly. The base sits flat on the floor without levelers and almost feels like it disappears into the floor.

PRODUCT OPTIONS & DIMENSIONS

MODEL #	SIZE	HEIGHT*	WEIGHT (lbs)	COL. DIA.	MAX TABLE SIZE
530	18" Dia.	30"	31	4"	36" Dia.
