

670 QUAD

SPECIFICATION SHEET

The 670 Series is designed for larger tables. The quad-styled based provides the stability and durability needed, while remaining simple in style for flexibility to use across many different applications.

The 14 ga. steel tubular base has a 2" outside diameter and is rigid bolted. The end caps are also welded and polished to look like solid steel. The four mounting plates are 4" x 4" each.

PRODUCT OPTIONS & DIMENSIONS

| MODEL # | SIZE | HEIGHT* | WEIGHT (lbs) | COL. DIA. | MAX TABLE SIZE |
