

# 740 ADJUSTABLE HEIGHT SPECIFICATION SHEET

The 740 Series brings added functionality of adjustable height to a classy X table base style with DuraCast.

Includes adjustable leveler with 3/8-16" x 3/4" long shank and a 13 ga. steel tube column with cast aluminum feet. Constructed with a bolted and welded combination.

Adjustments are easily done by simply setting your foot on the base and lifting the surface. The mechanism will automatically adjust to the next level. To lower the surface, lift it to its highest level, and then it will release and slowly descend to the lowest position.

## PRODUCT OPTIONS & DIMENSIONS

MODEL #	SIZE	HEIGHT*	WEIGHT (lbs)	COL. DIA.	MAX TABLE SIZE
740	20" x 20"	26-34"	25	2-1/4"	24" Sq, 24" Dia.
