

# 600FO FOLDING

## SPECIFICATION SHEET

The 600FO Series is a folding table base that offers the best trifecta of being stylish, high quality, and economical.

The 14 ga. steel tubular base has a 2" outside diameter and is fully welded for standard powder coat finish. End caps are also welded and polished to look like solid steel.

The folding mechanism is molded of aluminum and steel and can be mounted on tables as short as 60" with supplied screws. For tables between 36" and 59", a riser bracket raises the mechanism of the table to allow one leg to fold over the other.

### PRODUCT OPTIONS & DIMENSIONS

MODEL #	SIZE	HEIGHT*	WEIGHT (lbs)	COL. DIA.	MAX TABLE SIZE
600TFO	16" Spread	30"	10	2"	18" Depth
