

810 NESTING

SPECIFICATION SHEET

The 810 Series is the table base to choose for rectangle tables when you need the durability and stability of an X base and the space-saving function of nesting bases and flip tops.

Includes adjustable leveler with 3/8-16" x 3/4" long shank and a 13 ga. steel tube column with cast aluminum feet. Constructed with a bolted and welded combination.

The flip top mechanism is smooth to the touch and also offers safety and comfort to the user.
